

Units 1-3: Science – Weather maps

What is the weather like around the world today? Do the webquest and find out.

- 1 Use the Internet to find today's weather maps for these cities and fill in the table.

City	Temperature	Wind Speed	Pressure H or L
New York			
Edinburgh			
New Delhi			
Johannesburg			
Melbourne			
Buenos Aires			
Where you are			

- 2 **PROJECT:** Use the Internet to find information to make a poster with tomorrow's weather forecast for where you are. Explain what each of the symbols represents. Show your work to your parents and explain what it shows.
